The hospital has two outpatient medical clinics:

1 . The Bab El Zahrh Clinic (Herods Gate) :

It is considered the main hospital clinics where different services free are offered including:

- Antenatal clinic
- Gynecology clinic
- Pediatric clinic where WHO vaccinations program is implemented.
- Hearing test clinic
- High rest OB – clinic.
- A lab is available where all necessary tests are done

2 . Aqapet el khaldya clinic:

Is located within the walls of old city where branches of the main clinic are available with lab, and dental services.
